

## Nursery Spring Term 2022-23

Welcome back and Happy New Year!  
We hope you had a lovely break over the Christmas holidays and are looking forward to the term ahead.

We have lots going on this term for the children to look forward to.

Our topic this term is **Dangerous Dinosaurs**. This exciting project teaches children about the different animals that roamed Earth millions of years ago and how they are related to animals that live on Earth today. As always we will be following the children's interests through out the topic and encouraging them to be independent and creative learners which will prepare them for the new curriculum.

You will have received a letter giving you the opportunity to talk about this topic with your child and think if ideas that they would like to learn about in school. Please remember to return this to school.

We are very excited to be having visitors into school as part of this topic. Please search **Dinomania—Dino4hire** online to see who the visitors are and let us know if you think your child may be a little nervous and may want to sit next to a member of staff.

Please keep your eye on our Twitter page to see updates of what your child is doing in school. (Twitter name - @ParcLewis)
