Meet the teachers

Mrs Jones (Class teacher) Miss Rees (Class teacher) Miss Lacey (Support staff) This term our topic will be

Sparkle and Shine

This project teaches children about the celebrations that take place during the autumn and winter seasons, and focus on the significance and symbolism of light at this time of year.

During this topic, we will be exploring Science and Technology

Statement of What Matters 2 which focuses on Design planning, design process and design communication. And Expressive arts statements of what matters 3 which focuses on performing and presenting.

As always we will be following the children's interests throughout the topic and encouraging them to be independent and creative learners.

As part of this topic you will have received a letter asking you to share a photograph of your child celebrating a special day on our Teams online in the assignments section. Please remember to upload this onto Teams by Friday 15th September.

Please keep your eye on our Twitter page to see updates of what your child is doing in school. (Twitter name - @ParcLewis)

In Reception/Year1 we have healthy snack in class every day .

Snack must now be paid at the beginning of each half term. £7 for this half term should be brought in to school in an envelope with your child's name on. If we have not received money by Monday11th September then we will presume you are providing your own snack.

If your child brings their own snack in to school then please remember that this must be fruit, vegetables or plain breadsticks only. (No salted or cheesy crackers please)

Please let us know if your child has any allergies.

If you have any questions or concerns please do not hesitate to ask.

Thank you, Mrs Jones
