

Autumn Term Year 3

General reminders

- Year 3 will have P.E on a **Wednesday**
(Except for Swimming Weeks)
 - Your child will need P.E Kit (t-shirt, shorts/joggers and trainers).
 - Children will be reading in class at least once a week. They will need their reading books in school **EVERY MONDAY**.
 - The children will have spellings and homework these will be available on **TEAMS**.
- Spelling Test will be every Monday.**

Welcome to YEAR 3!

This terms topic is:

FairyTales

This project has a science focus and teaches children about forces and the properties of a range of different materials. At the heart of this project the children learn how to write instructional texts and develop additional skills in explanation and script writing.

In the Innovate Stage children apply their skills and understanding by creating their own bridge that will be able to hold some Fairytale characters.

Please ensure your child has a water bottle and a fruit or veg snack everyday!

Good to be Green

In the juniors we encourage positive behaviour with our good to be green scheme. Children are given an end of term treat as part of the scheme.

If you have any questions please don't hesitate to ask!
Mrs Gogherty
