This Term's Topic is:

Playlist

This Term's Topic has a Musical focus:

What's that noise? A bash? A crash? A shake, a rattle or a low, bass hum?

Which do you prefer – an acoustic singer or a booming brass band? A solitary voice singing sweetly and quietly or a magnificent choir lifting the roof?

Take out your ear plugs as you journey through the valley of sound and find out about instruments, the sounds they make and how they are produced. Discover how sounds are made and which sounds travel the furthest.

Then, sing up and compose a class song for the local talent contest, Class Factor.

Can you write a number one hit?

Be sure to stand up straight, warm up your voice and sing your heart out.

When your performance is done, sit back and listen to calming classical melodies, a soothing lullaby or your favourite boy band ballad.

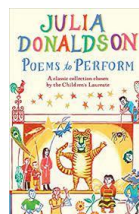

Can you hear me over there?

Or do I need to TALK MORE LOUDLY?

This term's novels are:

***Poems to Perform* by Julia Donaldson**
***The Bear and the Piano* by David Litchfield.**

We have these books in class, but children may wish to use their pocket money to purchase their own copies.

**If you have any queries or concern,
please do not hesitate to ask.**

**Thank you,
Mrs Goddard & Mrs Morgan**
