

July 2025

Dear Parent/Guardian

A Healthy Eating in Schools Consultation

The Welsh Government wants your views on the food that is served in primary and secondary schools. The consultation will run until 29th July 2025 and is available through the following link:

<https://www.gov.wales/healthy-eating-schools>

A child friendly version is available if you want to read the proposals with your child. We encourage you to take the opportunity to share your views and help shape the future of school food in Wales.

Yours faithfully

Mrs Hughes
Headteacher
