This terms topic is:

Our School

This term, we will be learning all about Parc Lewis Primary School and the community around us. We will explore the different places in our school, find out who helps us, and discover what makes Parc Lewis special. By looking closely at the school and the streets nearby, we will learn how places connect and how we all belong to our community. We will also look at what Parc Lewis was like in the past, comparing school life in Victorian times to how we learn today. By using old photos, maps, and objects, we will find out how things have changed and how our school has grown over time. This will help us understand that Parc Lewis has an important history and that we are all part of its story

If you have any questions or concerns please do not hesitate to ask.

Thank you,
Mrs Gogherty
